The NHS is open
for everyone who needs it

If you are ill please get help as usual. Doctors and nurses know how to keep you safe from coronavirus.

* Phone your GP
* Say how you feel
* Don't put things off

Get checked out

Go to hospital if you are told to

If you wait you could get more ill or even die

If you need someone to support you tell NHS staff

Talk about any reasonable adjustments

If you feel ill stay home and phone your GP or get advice from 111

In an emergency call 999
