The NHS is offering coronavirus (COVID-19) vaccines to children and young people

Experts have advised that all children and young people should be offered the chance to be vaccinated. Vaccination is particularly important for children who have health conditions that put them at high risk from COVID-19, as the benefits are greater.

We are holding a family friendly Covid 19 vaccination clinic at Hillside Primary School and would like to invite you to come along.

Hillside Primary School, Belstead Avenue, Ipswich IP2 8NU
